Distribution of 200 school bags sets containing 10 Note Books & compass box.
To Shri Dhiraj Ghate, President of Sane Guruji Mandal for giving it to needy &
deserving students of Beed District (draught affected area)

Through his nobles actions Dr. Sanjay B. Chordiya, Founder, Presidents & Chairman of Suryadatta Group of Institutes, who is believer of “Education to All”, always shows the way to follow his footsteps and inspires to outreach the needy deserving people of the society.

This year Dr. Sanjay B. Chordiya and his daughter Dr. Kimya Chordiya's Birthday was celebrated in a unique manner on the very opening day of the School and Junior College; 16th June 2016, by distributing school bags containing 10 Note Books & a compass box to 200 needy students from draught affected areas of Maharashtra. The generosity was executed through the students of Suryadatta National School, Bavdhan. (CBSE Affiliated).

The very purpose of doing so is while extending the help, the young minds also should learn a lesson & emulate it when they are capable to do so. This indeed is a 'Sanskar'; the Enculturation, which will be imbibed by the young generation of India.

Apparently the gesture may be monetarily evaluated as a small step but philosophically it is a step of 'Vamna', covering the entire universe. It is the squirrel's help to Lord Rama in building the bridge across the ocean.

On this occasion, Shri Dhiraj Ghate, President of Sane Guruji Mandal, who was the chief guest recalled how he is associated with Dr. Chordiya's Social work since the inception of Suryadatta Group of Institutes. He recalled that Suraydatta was pioneer in starting IT classes for the students in 1999 when the technology was new. He also said that at that time stalwarts like Mr. Nitin Gadkari and Mr. Manohar Parrikar had praised the social initiatives taken by Suryadatta Group of Institutes. Mr. Dhiraj Ghate emphasized that this is not an event but a moment which will continue in the draught situation in Maharashtra is totally eradicated.

He further elaborated that to commemorate the 125th Birth Anniversary of Dr. Babasaheb Ambedkar, the key creator of Indian Constitution it was pledged to reach and help 1,25,000 economically challenged students, belonging to farmers families from the draught affected areas of Latur, Beed, Vidarbha, Marathwada, to complete their education by providing them notebooks, school bags, stationary etc. which is their day to day requirement for the study purpose. He announced proudly that so far study material of worth Rs. 25,00,000/- has been collected and in the month of July it will be given to the above category students at the hands of honorable Chief Minister of Maharashtra, Shri Devendra Fadanvis.

Mr. Dhiraj Ghate cited few of his experiences of how students have stopped the celebrations of their birthdays or young generation stopped unwanted undesired expenditure of their marriage celebration and donated that part of sum for helping the draught affected students. After listening to such stories many students and teachers from Suryadatta vowed that they too will celebrate their special occasions by donating for such noble cause.

Dr. Sanjay. B. Chordiya appealed that each organization and its members should extend help to best of their capacity for economically challenged and needy students.

This will help to reduce the imbalance among the students belonging to different strata of the society.

Dr. Kimaya Chordiya (M.D.) expressed her feelings by saying that celebrating the birthday in such manner has given her inner satisfaction and sense of belonging to the down trodden part of the society. She says that this is her art of living.

Earlier in Dec 2015 Dr. S.B.Chordiya has motivated the student of Suryadatta Group of Institutes to collect food grains for the draught affected the farmer families of Maharashtra. The Collected Grains were sent to the needy, rural pockets of the Maharashtra through the Gram Panchayat members of Bavdhan.

Dr. Sanjay. B. Chordiya propagates, "It is essential to build better character in students to make them better Human Beings and thus to transform our future young aspirators into efficient and effective Managers, Leaders & Entrepreneurs".

Dr. Sanjay B. Chordiya gave oath to his students by saying to draught affected students,

" I learn, you also should learn"

"I have, u also should have"

"I Deserve, u also should deserve"

For his humanitarian deeds executed through students of Suryadatta Group of Institutes, we must salute the idea & Intention of such activities and say, "Chordiya Sir your institute is right place to sculpt out perfect Human Beings who will be the bright future of this country."
